

Proposal to start charging for parking in Reach Road Car Park? **What would it mean to the village?**

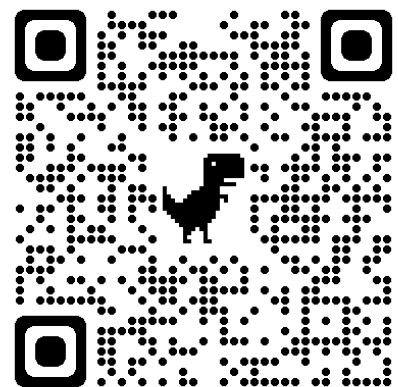

There is a proposal to start charging for parking in our Reach Road Car Park. This will be voted **on Monday 15th January** 2024 at a Dover District Council's (DDC) Cabinet Meeting.

Your Parish Council will fight this, but it will be the views of the community, your thoughts, your pain, your indignation, and your good arguments that could swing this. Why should St Margaret's be exempt? Your voice matters!

- Proposal:
 - approx. £1.80/hour - £10.80/day minimum charge of 50p plus the Ringo admin charge
 - Mon- Sunday 8am – 6pm - cashless

Scan the QR code or look on our website for further details and also see what is proposed for our Bay Car park. (*charges all year round*)

Please contact DDC **Cllr Charlotte Zosseder** who is responsible for community and corporate property, **Cllr Kevin Mills** as the leader of the council and **Cllr Jamie Pout** as the deputy leader. Copy in us if you can. By Monday for your view to be considered. Email is better but you can also write to them c/o *Dover District Council, White Cliffs Business Park, Whitfield, CT16 3PJ*
